JEN Tokyo Headquarters

Books already read, CDs no one listens to, DVDs never to be watched...

BOOK MAGIC is a great chance to tidy your office, your room, or your school.

Sound familiar?

And not only will you be environmentally friendly by recycling your books, you will also be supporting children affected by conflict and disaster to go to school. This program is realized through collaboration between JEN and the major second-hand bookstore, BOOK OFF. BOOK OFF will buy your books, CDs -all proceeds will be donated to JEN's school support programs* in Afghanistan, Pakistan and The Sudan. *Through this program, JEN rehabilitates school facilities, and supports the children's families and local peoples so that the children may continue going to school.
